CPE Water Quality Broadcast 2022

These virtual workshops are broadcast throughout the Commonwealth via Zoom. Through the use of interactive technology you will have the opportunity to engage in discussions and to ask specific questions of the presenters and participants around the state.

American Rescue Plan Act Funding
Infrastructure Construction and the Septic & Well Assistance Program
March 16, 2022

Virginia Department of Health staff will present program details on the American Rescue Plan Act (ARPA) programs: Drinking Water Infrastructure Construction Funding and Septic & Well Assistance Program. These programs have been funded through the Virginia General Assembly with funds provided by the Federal Department of the Treasury.
